

STUDENT HOME-STAY AGREEMENT

In order to make your home-stay a positive experience, you are asked to agree and commit to the following statements:

1. I will make every effort to make my home-stay experience a successful one, showing love and respect for the host parents and all family members.
2. I realize I am now part of this family and I will follow the family and household rules. I will ask questions of my host family to clarify expectations, responsibilities and freedoms in their home.
3. I will attend church with my host family on a regular basis and will make every attempt to participate in church and family activities. I will communicate regularly with my host family to improve English skills.
4. Expenses over and above room and board will be my responsibility. Examples: recreational activities, vacation, travel, use of my host family’s computer, phone, or other private property, etc. I will also pay my host family for any damages I may cause while residing in their home.
5. I will keep my room and common living areas clean and orderly and will perform the additional chores assigned to me.
6. I agree that I will not make overnight trips unless a responsible adult accompanies me, and my host parents have approved all such travel.
7. I understand and accept the obligation to attend all classes in my schedule at Lynden Christian School. I agree that all absences must be explained by a note from my host parent and that unexplained absences may lead to my dismissal from school.
8. In the event of a conflict, I will try to respectfully work out a solution with my host family. If the conflict continues, I will contact the International Student Coordinator.

I understand failure to comply with the terms and conditions of this agreement could result in dismissal from the Lynden Christian International Student Program
