

Calvin College William and Janice (Roosma) Van Dyke Scholarship

Background Information

This scholarship is given to a LCHS senior who plans to attend Calvin College, beginning in the fall of 2012. It was established by Janice (Roosma) Van Dyke and her family in memory of her husband, Bill, who passed away from cancer in 1993 at the age of 45. Janice is a 1966 graduate of Lynden Christian High School who went on to Calvin College. In hindsight, she considers herself an unlikely Calvin College student. She believes the Lord led her to Calvin and richly blessed her during her years there and following. This scholarship is intended to contribute to the enrollment of other students who, like herself, need some encouragement and resources.

Dollar amount and scholarship provisions will be available in early Feb.2012.
