Host Family Application

Thank you for your interest in hosting an international home-stay student. Because Lynden Christian School is a family-oriented school, each student (domestic and international) is required to live with a family. If an international student's family does not reside locally, he/she is placed with a Christian host family who is screened and approved by the school. Students and host families are matched as closely as possible in interests, temperaments, and specific requests.

The process for the host family application is as follows:

1. Interested family completes and submits Host Family Application (below).
2. International Program Director interviews family.
3. Each member of the host family over age 18 agrees to a Criminal Record Check.
4. Host family placement committee decides if family is an adequate host home
