Payment Plan Options

Every family must set up a FACTS Tuition Payment Account and choose a payment plan before finalizing enrollment.

Tuition payments remain consistent and do not change due to holidays, vacations, absences, or emergency closures.

FACTS Payments: Families can choose to pay annually (August 2025), bi-annually (August 2025 & January 2026), or monthly. Payments can be scheduled for the 1st, 10th, 20th, or last day of the month. Families with only preschool students may select a 10-month payment plan (August–May). Families with kindergarten or full-time students may choose an 11-month plan (August–June) or a 12-month plan (August–July).

Non-Sufficient Funds: If a payment is missed due to non-sufficient funds, a second automatic payment will be attempted on the next payment date. A \$30 NSF fee will be assessed by FACTS.

Withdrawals: If a student withdraws before the start of the school year, the first month's tuition is non-refundable and must be paid. If a student withdraws during the school year, tuition for the full semester in which the withdrawal occurs is required, and no refunds will be issued for that semester.
