Payment Plan Options

Every family must set up a FACTS Tuition Payment Account and choose a payment plan before finalizing enrollment.

Tuition payments remain consistent and do not change due to holidays, vacations, absences, or emergency closures.

FACTS Payments: Families may pay tuition annually in August, bi-annually in August and January, or in monthly installments. Monthly payments may be scheduled for the 1st, 10th, 20th, or last day of each month. Families enrolled only in preschool may choose a 10-month payment plan from August through May. Families with full-time students may choose an 11-month plan (August–June) or a 12-month plan (August–July).

Non-Sufficient Funds: If a payment is missed due to non-sufficient funds, a second automatic payment will be attempted on the next payment date. A \$30 NSF fee will be assessed by FACTS.

Withdrawals: If a student withdraws on or after August 1, 1/9 of the annual tuition is non refundable and must be paid, regardless of the payment plan selected. If a student withdraws during the school year, tuition for the full semester in which the withdrawal occurs is due, and no refunds will be issued for that semester.
